East Chestnut Ave., Vineland, N. J.

“Birch’s Bulbs Bloom Beautifully”

OURS did again the past summer and won for us 25 first and 8 second prizes at Hartford, Trenton, Atlantic City, Camden, etc. Our awards included three silver trophies and two sweepstakes; the most coveted prize being the Camden Chamber of Commerce trophy on our 1000 spike display at Convention Hall, Camden, in October. This was the largest gladiolus display at the largest and best flower show held in New Jersey the past season.

We are growing about 125 different varieties selected from the best originations of famous American hybridizers as well as the choicest of foreign introductions.

It pays to grow the best. Testimonials from our satisfied customers, as well as our perfect blooms are your guarantee that our stock is as fine as is procurable.

Visitors welcome. Open for business week days only.
